Eruption of Vesuvius.

The State Fair management has closed a contract with Payne's Pyrotechnic Co. for a reproduction of the Eruption of Vesuvius during the big exhibition at Louisville, September 16-21. This is one of the greatest fire work spectacles ever produced in the United States. It is expected to prove a big attraction.

WANTED—Man with force enough (men or women) to milk 80 cows. Would also hire two or three single men, but must be sober and industrious. Pay good wages. (References Required.) Apply to M. B. Lovell, Paris, Ky.

Stanton High School.

The Stanton School Board has adopted a High School course. School will begin there September 3rd with three teachers beside the Superintendent Mrs. Sylvia Russell, as follows: Miss Dalton, of Lexington; Miss Moses, of London; Miss Mollie Johnson, of Clay City. Under the Principalship of Mrs. Russell, in the past few years, the School at Stanton has advanced from the ordinary common school course to the highest line of study now taught in any public school in the State. This speaks well for both the Board of trustees and Mrs. Russell.

Our Prospect for School Brighter.

The prospects are very bright for the college mentioned in a former issue of this paper to be located at Powell's county seat. The citizens of Stanton have raised \$5,000 as an inducement for its location there. The location of this school is to be decided by the Synods of the Presbyterian Churches of Pennsylvania and New York. The first named state has held their meeting and decided in Stanton's favor. The latter state will shortly pass on the location of the school.

Stanton is said to be considerably in the lead of competitive points, and it is thought that the action of the Pennsylvania Synod has practically settled the matter. If this project is finally decided in our favor, and we believe it will be, all of Powell county will be greatly benefitted.

Some of our best people have left the county because of the inadequate school facilities. We must have a seat of higher learning in the county or we will lose more. This seems to be our opportunity and every citizen in the county should be interested in the success of the cause.

Jr. O. U. A. M. Flag Raising.

Vinton Council, No. 162 Jr. O. U. A. M. will, on Sept. 7, present the school of Vinton, Ky., with a flag and Bible. Miss Madge Welch, the teacher, will call her pupils together to witness the flag raising and partake of the features of the day. All the schools in the community are invited to be present. There will be speaking and all kinds of refreshments on the ground.

We extend a cordial invitation to one and all to come and partake with us in a grand rally in the behalf of our beloved order.

The City Council of Lexington has passed an ordinance whereby any person under twenty-one years, who shall enter a saloon shall be fined from ten to fifteen dollars. This is a good

law. Saloon keepers are fined heavily for selling liquor to minors, when often it is impossible for them to tell wheather the purchaser is of age. This ordinance does not interfere with that law but places a responsibility on the purchaser also.

The Limit of Life.
The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed at Swann-Day Lumber Co.'s store. 50c.

Resolutions Adopted at Teachers' Institute.

1. Resolved, That we tender our thanks to the County Superintendent, Prof. R. A. Irvin, for securing the services of so able an instructor as Prof. Cassidy has shown himself to be.

2. Resolved, That we tender our kindest thanks to Prof. Cassidy for his untiring energy in the discharge of his professional duties, and for his manifestation of the love of education.

3. Resolved, That we tender our thanks to the citizens of Stanton at large for the kindly interest with which they have favored us during this, the best week of the year.

4. Resolved, That we tender our most profound thanks to all institutions of learning for their honest efforts to better mankind by the diffusion of knowledge; We especially congratulate the schools of Eastern Kentucky for the liberal offers they are now making to teachers for obtaining greater professional training.

5. Resolved, That we regard the A. & M. College at Lexington as the head of the educational system of the State; and therefore worthy of our first and highest honors.

6. Resolved, That we regard the "Southern School" as the chief educational journal of the State. We also bid God speed to the editor of this great educational organ for his unceasing efforts to instill in the minds of teachers a firm determination to elevate the educational banner throughout the State.

7. Resolved, That we desire to express our warmest sympathy toward the various representatives of the different institutions of learning that have honored us with their presence. We especially wish to emphasize the fact that we will ever hold in our memory fond recollections of the young agent of the Southern School Journal, Warren Eubank, for his earnest efforts to place his paper and other educational periodicals in the hands of the teachers, and for the boldness of his resolute speeches which he has delivered to the Institute.

8. Resolved, That we request the teachers of the county to convene in a Teachers' Convention at the Court House in Stanton between the hours of 9 and 11 o'clock on the second Saturday in September to organize a teachers' League.

9. Resolved, That we strongly approve of the manifest determination of Superintendent Irvin and the County Attorney Atkinson to carry out the school law to the letter.

10. Resolved, That the Superintendent hold inviolable his resolution to revoke the certificate of all teachers who for unlawful cause shall fail to attend the full session of the institute.
